

# Message from the Chairman

The Riverland Wine Show has once again proven itself to be a valuable showcase for the regions wines. Wines from the region were well represented amongst the gold medallists. The results confirm our high expectations of the 2002 Vintage were valid and the improvements seen in recent years augurs well for the future of the local industry.

The total number of exhibits was down slightly on last year, however, there was an increase of 80 exhibits in the judged classes. This reflects a move away from the exhibitor-tasting-only classes and an underlying increase in the number of finished wines. This trend is expected to continue in future years.

The seminar "Some Like it Hot ", held in conjunction with the wine show, emphasises the committees commitment to extension work that fosters the continued improvements in viticulture and winemaking techniques that hopefully will be reflected in show results in future years.

I would like to acknowledge the addition of the Riverland Wine Industry Development Council to our list of sponsors. I am sure their sponsorship, in the form of secretarial support, will prove invaluable for the long-term viability and vitality of the show.
