Regulations

1. All classes shall be open to Wine and Brandy producers, hereinafter called “exhibitors” for competition according to the conditions applicable to respective sections. An exhibitor in this section shall mean a Person, Partnership, Association, Cooperative, Company or Corporate Body holding a current producer’s license and licensed to sell wine and or brandy under its own registered trading marks and under which the exhibit will finally be sold.
2. All exhibitors must conform to relevant State and Commonwealth health and regulatory Acts that govern the production or labelling of Australian wine and/or Australian brandy.
3. Wines competing in the Riverland Wine Show must be made using the required minimum of grapes grown within the Australian Geographical Indicator regions of Riverland, Swan Hill, Murray Darling, Riverina, and /or Rutherglen Inland Regions, as per the class description. Exceptions being for Section 10 - Special Classes where there is no restriction to the grape growing region.
4. No wine is to be entered more than once in the show.
5. There is no limit to the number of entries per class.
6. Exhibitors must enter using AWRI ShowRunner System. Exhibitors shall enter details as prompted including:
 - Class, variety(s) or generic description as required
 - Vintage (state NV if non vintage or average age where applicable)
 - Declare whether quantity in stock meets requirement
 - Name to be used in the results catalogue
 - State whether commercially dressed
 - Sweetness or Alcoholic strength as required.
7. All exhibits shall bear the labels supplied by the Society + ShowRunner and every effort should be made to ensure the label supplied does not obscure the commercial label.
8. Exhibits received late may be disqualified.
9. The description provided for each section (and class) must be adhered to; incorrectly entered exhibits may be disqualified.
10. The stewards reserve the right to transfer entries from one class to another.
11. Trueness to style will be at the discretion of the Chief of Judges.
12. Exhibits become the property of the Riverland Wine Show Society once received.
13. Wines entered in single variety classes must have a minimum of 85% of the specified variety. The predominant component of an entry in a blend class must not exceed 84% of the total volume. All components of the blend must be nominated on the entry form.
14. Each entry shall comprise in the:
 - Dry, sparkling and sweet wine classes 4 x 750ml bottles
 - Fortified wine 2 x 750ml bottles
 - Brandy 2 x 700ml bottlesEntries in bottles of equivalent nominal sizes will be eligible.

15. Exhibitors please note - trophy and medal winners may be requested to supply additional bottles for the exhibitors/public tasting and the presentation dinner at no cost to the Society.
16. The Riverland Wine Show Society Inc reserves the right to audit any entry for the following: Non conformance with minimum stock requirements as stated, regional integrity, compositional integrity, and any other matter.
17. The Society reserves the right to have any exhibit inspected or analysed by one or more persons appointed for that purpose.
18. An exhibitor breaking any regulation may be disqualified from any future show or shows. No entry will be received from any person or persons disqualified by this or any other similar Society during the period of such disqualification. Should any such entry be accepted, it shall, when discovered, be deemed void and the entry fee and exhibit shall be forfeited.
19. Exhibitors shall be judged out of 100 points and awards will be made on the following basis:
 - Gold 95-100 points
 - Silver 90-94 points
 - Bronze 85-89 points
20. Trophies for best wines. Non commercially dressed wines can be entered into all sections of the show with the exception of class nine (9). However only entries fully dressed and commercially available for sale at the time of judging will be eligible for trophies. Only commercially dressed wines will be eligible for medals. Non commercially dressed wines will only be given a point score.
21. 'Commercially available' is defined as wines for sale via general distribution through the retail market (including wine clubs) in Australia and/or overseas as well as wines only available for sale at cellar doors or cellar door mail order.
22. Points for aggregate trophies will be allocated on the following scale:
 - Gold 5 points, Silver 3 points, Bronze 1 point. Points will only be awarded to commercially dressed wines.
23. In the event one or more exhibitors achieve equal aggregate points for a trophy, the trophy will be awarded to the exhibitor with the most gold medals. If this number is equal, the trophy will be awarded based on a count-back of silver medals.
24. Awards may be withheld in any class where exhibits are considered unworthy.
25. Medals may only be claimed or advertised under the name in which the wine was entered.
26. Judges will assess each class without collaboration and on receipt of all results for a particular class the panel Chairman shall have the points totaled, checked and determine the awards.
27. Judges will not have access to exhibits apart from the glass of each placed in front of them by the stewards.
28. Judges and Associate Judges shall not at any time prior to the announcement of awards have any access or knowledge as to the identity of the exhibits.
29. The decision of the Society and Judges shall be final.
30. No protest will be entertained unless made in writing within seven days of the announcement of the awards.
31. All results from this year's wine show will be published in the results catalogue, released to the media and displayed on www.riverlandwineshow.com.au/wineshow
32. Exhibitors are expected to comply with the Australian Grape and Wine Incorporated Code of Practice for the display of awards (except for clause 1, which applies to wines labelled for export only).

Australian Grape & Wine

Code of Practice for the Display of Awards

The Code applies to all Australian Wine producers for wine produced or sold in Australia or for export.

1. Producers will not use medals, stickers, symbols or other devices on a wine container or on any promotional material in order to misleadingly convey the impression that the wine has received an award at an open, objective and independent competition.
2. Awards received by an individual wine will bear the name of the show and the year of award. The class number is recommended but not mandatory. As a general rule, awards shall only be applied to wines bearing the name under which the exhibit was entered;
 - However, in recognition that a wine could be entered in a show before a wine has been finally allocated to a Brand, portability of an award so that it can stay with the wine which won it shall be permitted providing the wine show regulations so allow.
3. Awards received by a class of wines (e.g. “Winemaker of the Year”, “Most Successful Exhibitor”) shall not be used to suggest the individual wine has received any particular distinction. These awards will not be presented on the consumer package of an award or non-award wine in the form of a medal.
4. The use of gold, silver and bronze discs or a combination of one or more of these colours with a black disc to promote anniversaries, events, sponsorship and the like is not acceptable. Stickers and symbols or other devices should be sufficiently differentiated from show medals in terms of shape and/or colour to ensure no confusion.
5. It is recognised that there are a number of circumstances in which metallic discs can be used which clearly do not convey the impression that the wine has won an award. These are restricted to:
 - The presence of disc shaped stickers embedded within brand crests and /or architecture; and
 - Circular metallic devices which are decorative and clearly not medals; and
 - It is recognised that identification stickers attached to a bottle for wine not intended for resale, such as supplied to airlines, may fall outside the control of the producer.
6. Compliance by a producer (including by subsidiaries or by associated companies) with this Code of Practice is a condition for entry to Australian wine shows. Lack of compliance could result in the producer/exhibitor being disqualified from entering wines into specific shows.

Sections

General Exhibition Notes:

Trueness to style will be at the discretion of the judges.

Each bottle will bear the wine entry label supplied by the wine show.

Each entry shall consist of four (4) 750ml bottles or equivalent, unless otherwise specified.

Each exhibit shall require a minimum stock of 675 litres, unless otherwise specified.

BEST ORGANIC / BIODYNAMIC WINE TROPHY

Open to Organically or Biodynamically Certified wines produced in the Swan Hill, Murray Darling, Riverina, Rutherglen and Riverland Regions. Appropriate certification bodies include, but not limited to NASAA and Australian Certified Organic. Current certification for entered wine should be available upon request by the committee for auditing purposes.

BEST ALTERNATIVE WINE TROPHY

Wines or blends made primarily from the varieties Muscat Gordo, Pinot Gris, Pinot Grigio, Chardonnay, Semillon, Sauvignon Blanc, Cabernet Sauvignon, the Cabernet family generally, Pinot Noir, Merlot, Shiraz, Chenin Blanc, Riesling, Colombard, Grenache and Verdelho will not be eligible for the 'Best Alternative Wine' trophy.

The above varieties may not be considered for this award as a varietal wine, but may be used as a minor component in a blended wine.

- Exhibits to be considered for the above awards are to be indicated at time of entry by marking the relevant check-box when prompted by *ShowRunner*.
- Consideration of entries for these awards will be at the discretion of the Chief of Judges.
- Exhibits to be considered for these awards should be 85% or greater from the Riverland, Swan Hill, Murray Darling, Riverina and/or Rutherglen Inland regions.

Judges' Comments

- Class 1:** Interesting class with new varietals showing promise, gold showed fresh, varietal style.
- Class 2:** Shows strength of the alternative varietals in the Riverland. Exciting. Older wines showing out of balance oak and some maturity.
- Class 3:** Disappointingly the wines showed some phenolics.
- Class 4:** A good class showing gris and grigio styles. Be mindful of stripped wines and RS balance.
- Class 5:** The gold medals wonderful examples of what can be achieved in this region. Care with dilution needed. Careful of overripe flavours rather than pristine fruit.
- Class 6:** Overall, well made bracket with some good use of oak nice to see fresh clean profiles. No real issues. Acids well managed on best examples.
- Class 7:** Quality class of interesting and savoury wines.
- Class 8:** Excellent class of wines, alternate varietals are making great quality inroads.
- Class 9:** Overall some terrific styles here for early drinking.
- Class 10:** Chardonnay styles broad with range of oak and MLF influence best had balanced weight/acid freshness. Other varietals were the highlight with good expression of character and clean winemaking.
- Class 11:** Wines looking good and fresh for 20 and older. Interesting textures and good balance.
- Class 12:** Too many tired and forward wines, lacking precise fruit. Perhaps not a strength for the region.
- Class 13:** Lowest scoring wines impacted by oak dominance and sweet balance. Some lacking structure. Best wines showing fruit core, structural balance and freshness.
- Class 14:** Strong class unfortunately the golds didn't appear, this is mainly due to alcohol oak and tannin balance. The best were showing great fruit depth but not over ripe so still bright fruit present. Developed without age was a negative in white and red sparkling wines.
- Class 15:** Overall a very interesting class of diverse wines. Top wine showed all class and is an exciting example of what this variety can do.
- Class 16:** Overall a good solid class, great wine for gold!
- Class 17:** Very disappointing class, wines lacking freshness and fruit balance with far too much reduction.
- Class 18:** Honest class, many however lacking fruit drive and lift, too much reduction on many.
- Class 19:** Some wines lacking attention to detail for freshness and cleanliness.
- Class 20:** A lovely large rose class with various styles. Best examples showed balance across palate with fruit mid, textural elements and framing acid. Lower scored wines exhibiting dilute mid and out of balance acid.
- Class 21:** Need more intensity.
- Class 22:** Great class of wines, gold was a star for the style.
- Class 23:** Need to get the balance of sweetness right.
- Class 24:** Two different styles, freshness was the issue.
- Class 25:** Interesting class various styles. Sugar acid balance was the downfall for some when in balance it was the highlight.
- Class 26:** Oak and unclean spirit seem to be the out of balance element on top of fruit, so not integrated.
- Class 27:** See entry 1!! Fresh and integrated spirit.
- Class 28:** Showing potential.
- Class 29:** Three good examples of this style, the gold the best example showing age now but also with potential for the future.
- Class 30:** One absolute quality wine, with lots of discussion, a very worthy gold!
- Class 31:** Varied class of wines, gold showed best overall balance and varietal drive.
- Class 32:** Mixed bag - phenolic management needed for lower wines. Some good freshness for bulk class.
- Class 33:** Diverse range - best wines had brightest fruit and best tannin balance. Negatives were around green, vegetative characters and tannin management.
