

2007 Chairman's Report

As 2007 Chairman of the Riverland Wine Show Committee, I am pleased to present our Wine Show Results. This year the Wine Show was held against the background of lingering drought and uncertainty facing our industry. Despite this, the success of the 2007 Wine Show bears testament to the resilience, determination and outward focus of the Riverland wine industry as a whole.

Although, as expected, entries were down, quality remains high with judges noting the quality of exhibits in general. Among the entries some standout trophy-winning wines were selected as the best in their class or category.

This year also marks another exciting change in the evolution and development of the seminar and advanced tasting; 'Some Like it Hot'. The seminar has grown from a small regional event into one that attracts interstate delegates and well respected international quality speakers both from Australia and abroad. To further enhance the professionalism of the event the organising committee has been given official status as a joint initiative of the Riverland Wine Show Society and the Riverland Wine Industry Development Council, which will allow for the seminar's continued growth as one of the country's must-attend industry activities.

The 2007 seminar addressed the topic of drought and managing its effects in a very real and hands-on manner. The presentations equipped both winegrape growers and winemakers with some practical tools to assist them during this period as well as provide an up to date perspective on the future of the industry.

The 'Some Like it Hot' advanced tasting is a tremendous opportunity for Riverland winemakers, winegrape growers, and wine enthusiasts to taste a range of interesting and varied wines from other regions both national and international that are relevant to the Riverland's own wine styles. 2007's advanced tasting was led by wine writer and wine judge Nick Stock with a focus on the Languedoc with an evaluation of this French appellation's wines with comparable domestic examples.

I would like to take this opportunity to thank our 2007 judging panel for their professionalism and time taken from their busy schedules to commit to the Wine Show. A word of thanks also to our Wine Show sponsors whose valuable support has ensured the continued success of the Riverland Wine Show. Finally thank you to the committee and volunteers who give their time in the running of the Wine Show; your support truly is invaluable.

Christopher Karvountzis
Chair, Riverland Wine Show Committee.

11. The stewards reserve the right to transfer entries from one class to another.

32. Exhibitors are expected to comply with the Winemakers Federation (WFA) Code of Practice for the display of awards (except for clause 1, which applies to wines labelled for export only).

Winemakers' Federation of Australia

Code of Practice for the display of awards

1. Producers will only display awards gained from competitions authorised by the AWBC.
2. Producers will not use medals, stickers, symbols or other devices in order to misleadingly convey the impression that the wine has received an award at an open, objective and independent competition.
3. Awards received by an individual wine will bear the year of award and the class description and as a general rule shall only be applied to wines bearing the name under which the exhibit was entered. However, in recognition that a wine could be entered in a show before a wine has been finally allocated to a Brand, portability of an award so that it can stay with the wine which won it shall be permitted providing it is allowed by that show.
4. Awards received by a class of wines (eg "Winemaker of the Year", "Most Successful Exhibitor") shall not be used to suggest the individual wine has received any particular distinction. These awards will not be presented on the bottle in the form of a medal.
5. Compliance by a producer (including by subsidiaries or by associated companies) with this Code of Practice is a prerequisite for entry to any show of which the display of awards or medals are authorised by the AWBC for export to Europe.

Judges' Comments

Class

EXHIBITOR

- 1 Most wines showed good flavour concentration, however, phenolics and over acidification pulled the wines back. Also, some wines showed promise but lacked finishing prior to the bottle.
- 2 One very well made wine.
- 3 Some clean, fresh, well made, young wines without any real highlights.
- 4 Overall, many wines lacked varietal fruit depth or complexity. Top awards display a range of styles offering fruit depth and weight, balanced oak and complexity. Very strong wines.
- 5 Two bronze awards showed good varietal character and balance.
- 6 A very good, even class of wines with great colour, freshness and balance.
- 7 Two excellent examples of rose being of slightly differing styles. Some wines too close to the light dry red style with preference being given to the refreshing wines.
- 8 Sound commercial wines. Bronze awards were very good examples.
- 9 Top award is a very well made wine that shows restraint and class and, therefore drinkability - lower alcohol, balanced phenolics and acidity along with bright varietal fruit.
- 10
- 12 One excellent example and a number of commercially acceptable wines with few faults showing.
- 13
- 14
- 15 Apart from one beautifully balanced gold and a strong silver, this was a disappointing class. Certainly not up to previous years.
- 16 Very poor varietal expressions, but also faulty, unfinished and unbalanced wines. Oxidation from poor wine handling also a problem.
- 17 A very good showing of the variety - a pleasure to judge.
- 18 One strong gold and two good silvers, but many wines lacking fruit depth and concentration.
- 19 Some concentrated, beautifully constructed wines at the top of the class, however, many others showing lack of fruit depth and also a bit of sulphide floating around.
- 20 Quite an even class. Two silvers. Moscato style wine has attractive fresh grapey flavours and the sparkling red shows excellent freshness and good structure.
- 21
- 22
- 23 An outstanding class of wines. A pleasure to judge. The only two wines to miss a medal appeared to be out of class.
- 24 Potentially high scoring wine ruined by out of balance acidity.
- 25
- 26 A great class to judge. Beautiful rich wines with age and complexity.
- 27 Some well made wines. One very old tawny in need of freshening. Some encouraging vintage styles with good use of spirit and firm dry finishes. Top wine an excellent example.
- 28
- 29
- 30
- 31 A very close, even class of lovely Brandy. Top two awards a different style with the top gold having elegance, complexity and excellent vibrancy.
- 32
- 33
- 34 Two very good wines in this class. Structure, flavour and mouth feel are classy, but for different reasons. The Tempranillo blend needs to be taken notice of as it may show the way forward.
- 35 An interesting range of wine styles. Award winners have structure and persistence.
- 36
- 37 Very poor wines. Problems with oxidation, stuck ferment (sweet) and just overly developed wines. A need to get more in-depth feedback for these producers in another forum.
