

Message from the Chairman

The 32nd Riverland Wine Show has once again proven itself to be a valuable showcase for the regions wines. Wines from the region were well represented amongst the medalists. While medal numbers were generally down across table wine classes, the best wines were excellent examples of their respective styles. The inclusion of a Durif Dry Red class saw some strong entries in this class. It was interesting to note an increase in Rose, Viognier, Petit Verdot and Tawny Port entries in this years show.

The number of entries was up on last year with 557 entries being received from 56 producers. The seminar "Some Like it Hot", held in conjunction with the wine show, was strongly supported, and once again emphasises the show committees commitment to extension work that fosters the continued improvements in viticulture and winemaking techniques, which hopefully will extend to show results in future years.

I would like to acknowledge the support of our show sponsors. This support is invaluable and has once again enabled us to hold a very successful show.
